# 2014 SPRING

## Spring 2014

Our winter-spring seasonal brochure is filled with an assortment of new recreation programs, special interest classes, family activities, leagues and sports opportunities as well as exciting community events. Whether you are a full time or seasonal resident, we hope you enjoy the leisure services offered throughout Casa Grande.

I would like to personally invite you to join us in our introduction to couples dancing classes during the months of January and February as well as Latin Dance Nights on Friday evenings.

Main Library in downtown celebrated its 100 year anniversary with a \$1.7 Million Dollar renovation project. The grand re-opening will take place in early spring. You will notice a new and open feel within the facility with overall improvements in the layout and programming capabilities. I am extremely excited with the improvements in the children's area as well as the increase in our adult technology capacity. Please check out some of the new and exciting programs and classes being offered at both of our library facilities.

Let's Move! is a National health and education program about putting children on the path to a healthy future during their earliest months and years. I would like to publicly thank our City Management team, Mayor and City Councilmembers for their continued support and commitment in helping Casa Grande achieve our community health and wellness goals through the Community Services Department. Casa Grande was recently recognized as one of 18 cities nation-wide in its efforts and dedication to helping young people eat healthier foods and be more physically active.

Within this brochure, regardless of age, I'm confident that you will find a new recreational opportunity for you to explore, get out and enjoy this wonderful place we call home.

Together, Let's Move!

*City of Casa Grande, Community Services Director*
