If the class does not state Adult/Child, parents are asked to remain outside the classroom area. Our instructors have found the quality of instruction has often been affected by parent and/or sibling distractions, interruptions and various other concerns, which interfere with class instruction. We also feel it is most beneficial for children to have recreational time interacting with their peers. One to two "room parents" may stay, if needed, to assist with restroom breaks, keeping kids in line and helping with any one-on-one interaction, etc., but they may not help with the instruction.

FAMILY CAMPING Summer 2014

This is the perfect family “staycation” for Casa Grande residents. It will get you out of the heat and into Arizona's cool high mountain country for a weekend without costing you a fortune in gas. The Arizona Parks and Recreation Fellowship and Hunkapi Horse Programs are offering a series of themed family camping trips to Camp Colley, the outdoor adventure camp on the Mogollon Rim. The camp is located 150 miles northeast of Phoenix, about halfway between Payson and Winslow off Highway 87. At an elevation of 6700 feet, the camp offers Casa Grande residents a chance to enjoy an outdoor experience in Arizona's high country pine forests. The cost for each trip is \$90 per adult and \$45 for children 17 and under. All youth participants must be accompanied by an adult. The cost includes Friday dinner, three meals on Saturday and breakfast on Sunday. No previous experience is needed and all program materials, camping equipment and meals are provided. Families will sleep in platform tents or will be provided family-sized tents. Experienced staff will lead guided outdoor activities. Campers need to be able to transport themselves to the Camp. Vans will transport participants to various activities on the forest once you arrive at camp. Staff will follow up with trip orientation details by e-mail. All trips are inclusive and open to anyone.
