2013 FALL/WINTER

Fall 2013

Within our seasonal brochure you will find plenty of recreational activities for all ages. Our staff have been working hard putting together a series of very special events. The new Viva Grande event at the Paul Mason Sports Complex will take place on the last Saturday night in September. It's an event for the entire family to come out and celebrate the end of the summer season and the wonderful community that we live in. We also have the Ballet Under the Stars returning for a night of cultural entertainment as well as the annual Halloween Carnival and the Electric Light Parade.

You may also notice some of our facilities under construction. The Main Library is currently be remodeled and services expanded as we hear into the future. Advances in technology and improvements in programming capacity are being addressed. The hours of operation will remain the same and the facility will remain open during construction. Additionally, improvements and renovations will also be taking place at the Casa Grande Little League Complex as well as the Palm Island Aquatic Facility. I want to thank you in advance for your understanding and patience during the construction period.

We certainly hope that you take advantage of some of these wonderful programs along with the seasonal Fall weather.
