Fall 2014

The Fall Seasonal Activity Guide is full of events and activities that will help you forget all about being cooped up in air conditioning all summer long. We hope you come out and help us kick off the fall season at our Second Annual Viva Grande event. Like the entire brochure, there are plenty of activities for the entire family to enjoy.

Before you blink it will be Halloween - a holiday that really doesn't celebrate anything except witty costumes and shoving your face full of candy. Our celebration at Carr McNatt Park will provide you a great opportunity to do just that and we hope to see you there.

We are offering new and exciting opportunities at Dave White Municipal Golf Course for people of all ages and skill levels. Youth and Teen programming are plentiful along with all kinds of Children's Programs available at both library locations. The Library also has a terrific assortment of free technology based classes that deal with all of the nuances of today's digital age.

The Fall season also means adult sports are in full swing with softball leagues as well as basketball and volleyball competition. You will also find a very wide variety of programs dedicated to those fifty years of age and above as well a host of community wide special events that include ballet performance, triathlon, a Night of Remembrance and the season finale - Casa Grande's Classic Electric Light Parade.

We certainly hope you find the activities as cool as the season.

Enjoy your Fall!

PROGRAMS

For more information regarding these programs contact the Recreation Office, (520) 421-8677.

If the class does not state Adult/Child, parents are asked to remain outside the classroom area. Our instructors have found the quality of instruction has often been affected by parent and/or sibling distractions, interruptions and various other concerns, which interfere with class instruction. We also feel it is most beneficial for children to have recreational time interacting with their peers. One to two "room parents" may stay, if needed, to assist with restroom breaks, keeping kids in line and helping with any one-on-one interaction, etc., but they may not help with the instruction.
