For more information regarding these programs contact the Recreation Office, (520) 421-8677.

If the class does not state Adult/Child, parents are asked to remain outside the classroom area. Our instructors have found the quality of instruction has often been affected by parent and/or sibling distractions, interruptions and various other concerns, which interfere with class instruction. We also feel it is most beneficial for children to have recreational time interacting with their peers. One to two "room parents" may stay, if needed, to assist with restroom breaks, keeping kids in line and helping with any one-on-one interaction, etc., but they may not help with the instruction.
