### **City of Casa Grande Aquatic Policy & Safety Plan at Palm Island Family Aquatic Park (Updated)**

The City of Casa Grande Community Services Department's Recreation Division is implementing an updated Aquatics Safety Plan and Policy that will go into effect on May 27, 2023. This updated policy includes changes that protect unaccompanied minors aged 12 and under.

The new policy states:

**Children 12 and under and non-skilled swimmers must be accompanied, and actively supervised, by an adult or teenager (16 years or older) at all times.**

The goal of updating the policy is to create a safe aquatics experience and to minimize the number of unsupervised youths in the facility. To ensure the safest aquatics experience and atmosphere possible, aquatic facilities rely on "Three Levels of Aquatics Supervision".

**Level One:** Direct supervision of swimmers by people within their group or party. This level includes adults and guardians monitoring closely from the deck and keeping non-skilled swimmers within arm's reach.

**Level Two:** Lifeguard supervision, where aquatics staff actively monitor areas above and below the water.

**Level Three:** Patron supervision, involves staying alert to other swimmers in the general area and immediately alerting staff should any situation arise.

With aquatics staff, parents/guardians, and patrons all working together, this will ensure an exceptional and safe swim experience.

#### **Here is an overview of the season!**

The Palm Island Family Aquatic Park is set to open on May 27, 2023, from 12:00 pm – 7:00 pm for public swimming.

#### **Fees:**

- \$1 for children ages 3 to 17
- \$2 for 18 and up
- Free for ages two and under
- CRC Members: Free
