7. Would Casa Grande be willing to extend the RFP due date by two weeks to 7 July 2023 to allow respondents to properly address any responses that result from inquiries due only about a week before the RFP due date? Given	The revised due date for the City of Casa Grande RFP #19008-02-23-CG shall be Friday, July 7, 2023, by 3:00 PM (Arizona time).

<p>8. We respectfully request that Casa Grande allow for proposals to be submitted digitally (e.g. by email, portal upload or similar)? (1.3 E. Submittal Method, PP 2, Page 5)</p>	<p>Please refer to Section 1, Part 1.3, Item B of this RFP for submittal quantities requirements.</p>
<p>9. Due to hard copy submission requirements, proposers need a minimum of three days to print and ship their responses. <p>13. We are considering making use of an offsite call center and the Scope of Work, Article I – Definitions, page 28 Dispatch: <i>Facility where Contractor personnel assign and manage resources to provide CITY transit services and receive customer telephone calls</i>, seems to dictate that the call center be in Casa Grande. We are considering making this process work through our call center in Tucson. We will be stating that we are not. Do we need to submit the DBE certification form on Page 93?	Yes, the DBE Certification form is required per 49 CFR Part 26.
