Uncontained Trash Alley and Curbside Service

The City operates on a six-week collection schedule (divided into six collection zones) to pickup uncontained trash in the alleys and from residents requesting curbside pickup.

Residents with alley collection are requested to place uncontained trash behind their home for collection no earlier than the weekend before the scheduled collection week.

To help ensure the City will continue to provide alley trash service to areas currently being served, residents must maintain the alley free of litter and trash up to the centerline of the alley for their segment. The exception is for the placement of uncontained trash in the alley for scheduled zone collection no earlier than the weekend before the zones scheduled pickup.

Residents with curbside service are requested to place uncontained trash no earlier than the weekend before the scheduled collection day.

Residents with curbside service must call to schedule a pick up by 3 p.m. Friday prior to the scheduled collection day at (520)421-8625.

Sanitation crews begin collecting trash at 6 a.m. on the Monday of the scheduled collection week. Materials must be placed before 6 a.m. to assure collection.

Information on the collection schedule and collection zone maps can be obtained on the City website at www.casagrandeaz.gov or call (520) 421-8625.
