

## COMMUNITY RECREATION CENTER - UNACCOMPANIED MINOR POLICY

### Unaccompanied Minor Policy

Unaccompanied minors are required to have a membership or an annual guest waiver form on file at the Community Recreation Center.

- Unaccompanied children, ages 16-17, with a membership or annual guest waiver on file, have no restrictions and may use all areas of the Community Recreation Center.
- Unaccompanied children, ages 11-15, with a membership or annual guest waiver form on file may attend the \*Boys & Girls Club Teen Center (open M–F 7 am – 7 pm; free), the CRC – Teen Gym (available M-F 3 pm – 6 pm; membership or day fee required), or an instructor-led program. *\*An enrollment application is required for the Boys & Girls Club Teen program.*
- Unaccompanied children, age ten and younger, are not allowed unless attending an instructor-led program.

### My child is 16 or 17; does he/she need to be accompanied by an adult at all times?

No, children ages 16 or 17 do not need to be accompanied by an adult. They need to have a membership or the annual guest waiver form on file to attend the CRC unaccompanied.

### My child is age 11-15; does he/she need to be accompanied by an adult at all times?

If the child ages 11-15 is attending a supervised program such as the B&G Teen Club or the CRC-Teen gym then they can be unaccompanied. If they are not attending a supervised program, then a child age 11-15 is required to be accompanied by an adult remaining in the building. *(Reminder the B&G Club Teen program operates M-F 7 am-7 pm, and the CRC-Teen Gym is offered M-F 3:00 pm – 6:00 pm)*

### My child is age 10 or younger; does he/she need to be accompanied by an adult at all times?

Yes, children ages 10 and younger must be accompanied by an adult or enrolled in a supervised program. The KidsCare program is a 2-hour maximum drop-off service available for members while they use the CRC. Due to the CoVid-19 pandemic, the KidsCare service is currently on hold and is scheduled to return in the Fall.

### Why does my child need an annual guest waiver?

Minors are no longer able to sign a daily guest waiver form. The annual guest waiver form allows legal guardians to sign a waiver form annually, and the Community Recreation Center stores the signed form on file. The annual guest waiver is for patrons paying an entry fee on each visit. The guest waiver form is valid for one year and needs to be completed annually.

### My minor has a membership. Do I need to sign an annual guest waiver?

No, the membership waiver covers entry for your Child.

### Can a minor who is not a member attend the Community Recreation Center with an adult if they don't have an annual guest waiver form on file?

Yes, minors with an adult member checking in or an adult paying an entry fee can use the Community Recreation Center under the accompanied adult supervision. See chart below for age restrictions per facility amenity.

### What age is considered an adult?

Age 18 or older is considered an adult.
